Date: **Thursday, August 10th**
Time: **5:30 - 8:00 pm**
Location: **Savin Hill Yacht Club**

Senator Jack Hart and Representative Anthony Petruccelli, Co-Chairmen of the Metropolitan Beaches Commission, invite you to join them for a **public meeting to discuss Dorchester's beaches**.

This hearing will give Dorchester residents an opportunity to help the Commission get an accurate picture of the situation on each beach, to share their dreams and aspirations for their beaches, and to help identify opportunities and obstacles on the beaches.

The Metropolitan Beaches Commission was established by the Massachusetts State Legislature in 2006 to:

- *take an in depth look at each of the region's beaches,*
- *identify the current conditions on each beach,*
- *identify the best management practices across the region, and*
- *make recommendations that would bring our beaches to their fullest potential as significant recreational and economic resources, ultimately improving the quality of life for residents and visitors, and strengthening our capital city and the region.*
